Clinics are essentially office hours where REDCap administrators are available to assist you with questions and or issues.

- Clinics are informal, held in group format, and a great opportunity to meet (and learn from!) other REDCap users.
- Any topics are welcome, Content is driven by YOU.
- No formal presentation. Just open questions/answer time
- A REDCap administrator will be on hand to answer questions.
- Have a basic understanding of REDCap
- Bring projects, specific questions about features, or errors you might have encountered on a project.

REGISTRATION IS NOT REQUIRED, HELP IS ON A FIRST COME FIRST SERVED BASIS

REDCAP TRAINING AVAILABLE UPON REQUEST
